FOR NONMEMBERS**

[Edit this document according to the specifics of your church]

The facilities (building, grounds, vehicles, finances, services of the employees, staff, or volunteers, or any other property) of [name of church] were provided through God’s benevolence and the sacrificial generosity of church members. They exist primarily for the glory of God through the use of the members of this church. While they may from time to time be made available for other purposes, they may never be used for any purpose that will violate the church’s statement of faith, constitution, or by-laws. They also may not be used by any persons or groups who hold or advocate beliefs or practices that are deemed by church leadership to be inconsistent with the beliefs of the church.

Requirements for use of church facilities:

No “worldly amusements” of any kind are allowed on church property. This includes smoking, alcohol consumption, cussing, dancing, bingo, card-playing, rock music, etc. If you have any questions, please ask the pastor or other church leadership.

There will be a \$_____ charge to use the facilities. This covers electricity, heat, and wear and tear, and administrative costs.

Please do not use the supplies found in the building. Ask the pastor or another church leader if you have a question about what is available for use.

Please limit your activities to the necessary rooms and do not allow children to run loose around the building.

If anything does not work or something gets broken during your time here, please let us know. If church property is missing or damaged, you may be asked to replace it.

Thank you for your willingness to adhere to these requirements. We hope that you join with us in glorifying Him through the use of our facilities.
